# PHASE 1980

SAINT JOSEPH'S COLLEGE  
RENSSELAER, INDIANA  
VOLUME 40

Life at St. Joe's . . .  
is filled with  
many surprises.

We begin our college career  
apprehensive of what the future holds.

We learn the ins and outs,

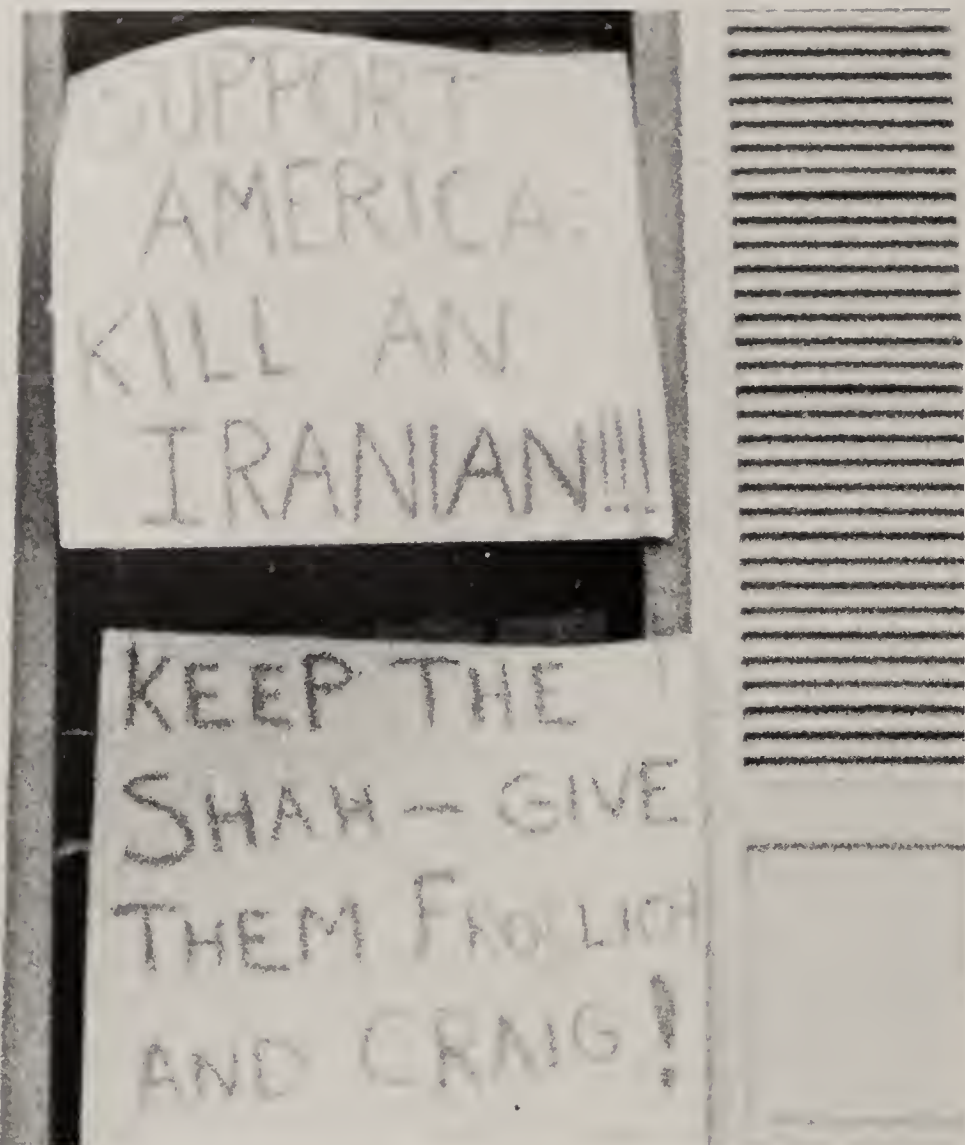

the ups and downs,

and probably  
best of all,  
we meet friends

who help  
us through  
the roughest  
of times.

They share our sorrows, and celebrate our triumphs.

We live,  
love  
and laugh . . .

together,  
and in the end,  
we find that  
we were never alone,

because we had  
St. Joe's.

# Dedication . . .

This book is dedicated to Dan "Bucky" Mauch and the hundreds of individuals who loved him . . .

In a situation as the one we had at St. Joe's, it is everyone's inclination to ask "why?"

We as human beings will never be able to answer that question. It is something that only the gentleman upstairs can perceive; we can only speculate.

We feel that God must have known Bucky's life would be

tragically shortened for the fact that he created him as such a jovial, carefree young man.

We all knew his smiling face, his bouncing walk, and his gritted teeth on the intramural fields.

It is only for us now to remember how Dan Mauch lived and how his life touched each one of us individually.

And we hope that his competitive spirit will live in St. Joe hearts for years to come.

GENERAL AUTOMATION

## Presenting . . . Saint Joseph's College Class Of 1980

Consisting of 200 individuals;  
Conceived in an era that emphasized names, identity, and manpower;  
Nurtured in a time of change and revolt;  
And now faced with a world which numbers, calculates, and computerizes everything . . .  
Drivers' licenses,  
Student numbers,  
Social Security numbers,  
I.D. cards,  
Grade cards,  
Credit cards.  
What will become of this advancing age?  
What will become of these people?  
Will they continue to advance with the rapid technology of the world?

# Mardi Gras

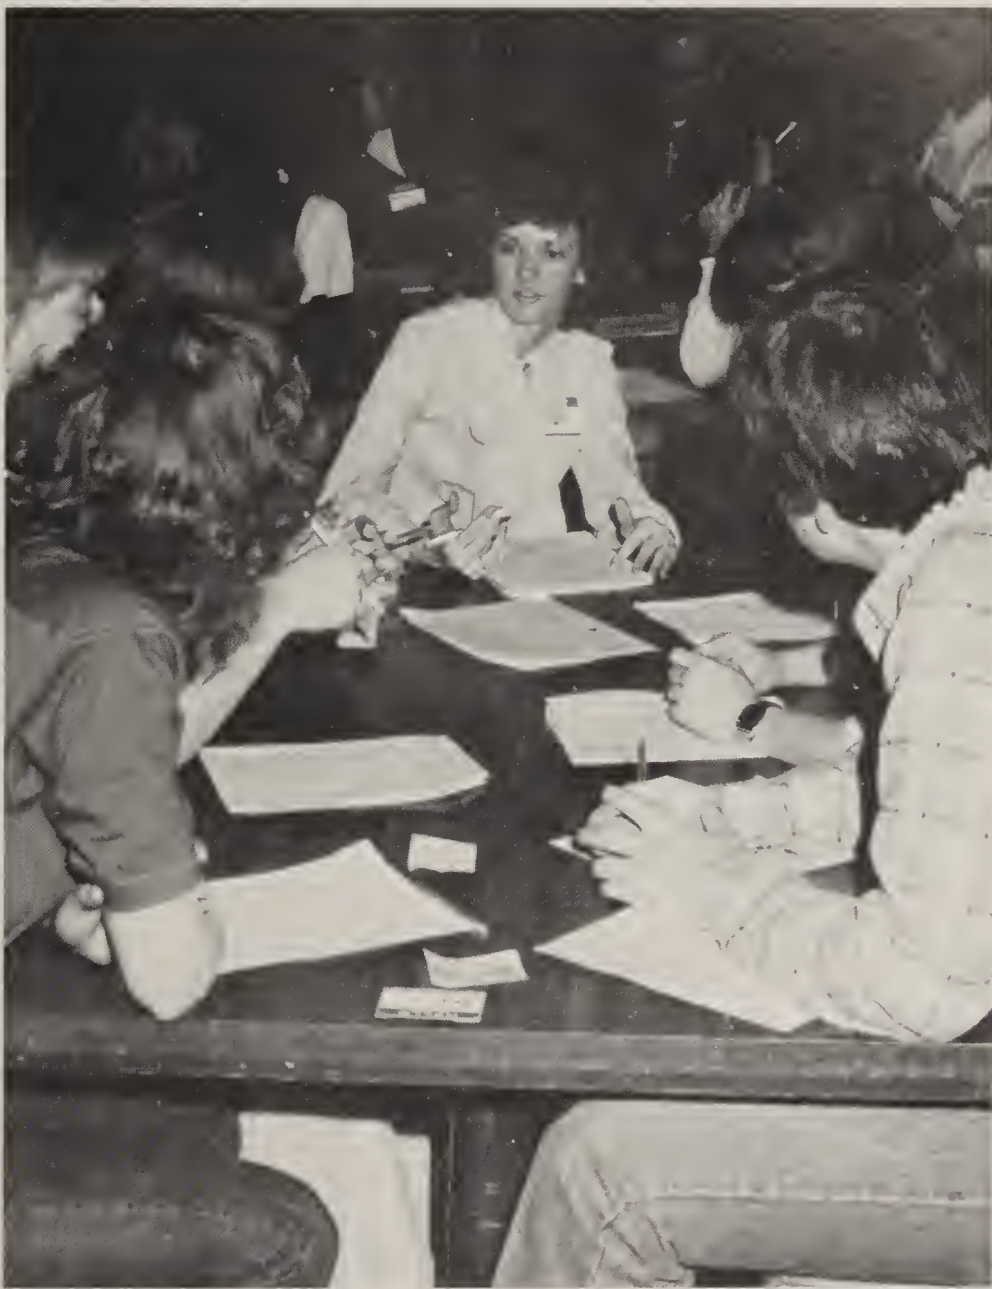

# SIFE

Students In Free Enterprise, or SIFE, was a business class offered at St. Joe's in the 1979-80 school year. Free enterprise is an economic system in which there is no government control. The students in SIFE promoted the free enterprise system in many ways. From discussions to lectures, the students spread the endless word on the free enterprise system.

# Little 500

Horseback riding in the snow . . .

A Puma-type mixer,

The Triumph of Nellie,

80 days to go,

Ice skating on the frozen pond,

Long live 1980 . . .

# Graduation May 11, 1980

What is for real?  
What is false?  
All of us seem to be  
caught in a waltz  
turning around,  
turning again.  
When will the dancing  
ever end?  
As for us, you and me,  
our eyes are open  
we can see  
both of us know  
where we've been  
why must we both  
go dancing again  
are you afraid,  
I'm not afraid . . .  
By Rod McKuen

# Editor's Page — Greetings From China

A great big thanks to the following people for their help on PHASE '80: my assistant editors, "See-ay See-ay" for all of your help, Mr. and Mrs. Schuttrow because without you this book would not be the greatest, all my preppie friends for just being preppie, Jerry Schlueter, our representative from Walsworth Publishing Co., Betty Fenters because you're OK, and finally to Bob, Jodie, Bruce, and Noreen for their pictures of graduation.

Thanks Again,  
Buff
